Skin Benefits

Almond (Bitter), Essential Oil offers a sweet and nutty aroma that provides a sense of comfort and relaxation. It is commonly used in perfumes, candles, and aromatherapy to create a soothing and pleasant ambiance. The aromatic properties of Almond Butter Essential Oil can help calm the mind, reduce stress, and promote a sense of well-being. Incorporate Almond Bitter Essential Oil into your products to enjoy its delightful scent and soothing benefits.

Hair Benefits

Invigorate your senses and promote hair health with Natural Bitter Almond Essential Oil. This oil provides a stimulating aroma and nourishing properties for the hair. Enhance your haircare formulations with the aromatic essence of natural bitter almond.

Functionality

Anti-Aging

Packed with antioxidants, it helps fight free radicals and reduce the signs of ageing. It promotes the production of collagen, improving skin elasticity and firmness, and diminishing the appearance of fine lines and wrinkles.

Skin Brightening

Contains natural skin-brightening properties. It helps even out skin tone, reduce the appearance of dark spots and hyperpigmentation, and promote a more radiant complexion.

Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.

Warming

Introduces a gentle warming sensation to the skin, providing a comforting and soothing effect. This property is ideal for products designed to promote relaxation, especially in massage oils or creams
