Hair Benefits	**** Annatto Oily Extract provides nourishing benefits for the hair. It contains antioxidants and essential fatty acids that help Moisturise and condition the hair, reducing dryness and improving overall hair health. The extract's natural color can also be used as a natural hair dye or color enhancer. Annatto Oily Extract can help add shine and vibrancy to the hair, particularly for those with dark hair tones. Additionally, its soothing properties can help alleviate scalp irritation and inflammation. Incorporating this oily extract into your hair care routine can contribute to healthier, more vibrant hair. However, it's important to note that the oily extract should be used in appropriate concentrations and formulations, as excessive use may lead to staining on light-colored hair or skin.
