Product Page Intro	Introducing the secret to healthy, glowing skin and hair - O&3's Avocado, Oil, Refined! Avocados have a rich history going back over 10,000 years. Originally cultivated by the Aztecs and Mayans, avocados were believed to have fertility-enhancing properties and even referred to them as the "fruit of the gods." Avocado trees were cultivated in orchards, and their fruits were reserved for royalty and elites. This incredibly cost effective ingredient is often used as a base for cosmetic formulations due to its versatility and long lasting shelf life. From soap and shampoo to massage oil and face cream, this material is according to the EP9 monograph specification (which includes sterol analysis). Avocados have since gained global popularity for their unique taste, versatility in beauty and personal care products, and numerous health benefits. Used to moisturise, nourish, and protect the skin, avocado oil is packed with vitamins, minerals, and fatty acids that are essential for healthy skin and hair. To incorporate Avocado Oil, Refined into your formulations, request a quote or order a sample now!
Product Status	Pure & Natural.
Pyrrolizidine Alkaloids Status	O&3 can confirm that Avocado EP9 Oil, Refined is free from any Pyrrolizidine Alkaloids.
REACH Status	O&3 can confirm that Avocado EP9 Oil, Refined supplied is exempt as per Annex IV & V according to EU regulations 1907/2006.
