Skin Benefits

Commercial Bay Laurel has a rich and distinct fragrance. It adds a classic and aromatic scent to perfumes, soaps, and candles. Incorporate Commercial Bay Laurel into your formulations for its aromatic qualities.

Hair Benefits

Bay Laurel Commercial oil is commonly used in hair care products for its potential benefits. It is known for its stimulating properties that can help promote hair growth and improve scalp health. The oil may also help reduce scalp inflammation and dandruff. Incorporating this oil into your hair care routine may contribute to healthier and nourished hair.

Functionality

The attached information is considered to be correct. Please be aware that detail can change and we encourage clients to update their technical records regularly via www.oand3.com/products/.

The information is not and should not be considered a guarantee or warranty, or a part of our contractual or other legal obligations. It is the ultimate responsibility of the client to pre-approve & assess the safety and suitability of the listed ingredient before use in any final formulations. We encourage carrying out additional tests if necessary. The information is not to be disclosed to others, reproduced or transmitted in whole or in part without permission from O&3.

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Cleansing

Acts as a natural cleanser, effectively removing dirt, impurities, and excess oil from the skin and hair. It helps keep pores clean and clear, reducing the risk of acne and promoting a fresh, revitalised appearance.

Antimicrobial

With potent antimicrobial features, it effectively combats harmful microbes, preventing infections and promoting skin health. It supports a clean and clear complexion, safeguarding against unwanted bacteria.
