Skin Benefits

Pourable Benzoin has a sweet and warm fragrance. It adds an aromatic and comforting scent to perfumes, skincare, and aromatherapy products. Incorporate Pourable Benzoin into your formulations for its aromatic and soothing benefits.

Hair Benefits

Benzoin Pourable offers potential benefits for the hair. It is known for its soothing properties that can help reduce scalp irritation and inflammation. The pourable form allows for easy application and incorporation into hair care products. The benzoin may also help improve hair manageability and add a pleasant fragrance to the hair. Incorporating this pourable benzoin into your hair care routine may contribute to a calm and Revitalised scalp.

Functionality

The attached information is considered to be correct. Please be aware that detail can change and we encourage clients to update their technical records regularly via www.oand3.com/products/. The information is not and should not be considered a guarantee or warranty, or a part of our contractual or other legal obligations. It is the ultimate responsibility of the client to pre-approve & assess the safety and suitability of the listed ingredient before use in any final formulations. We encourage carrying out additional tests if necessary. The information is not to be disclosed to others, reproduced or transmitted in whole or in part without permission from O&3.

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Healing & Soothing

With its anti-inflammatory properties, it soothes irritated and inflamed skin. It aids in the healing process, making it beneficial for conditions such as acne, eczema, and rosacea.

Antioxidant

Rich in antioxidants, it shields the skin from environmental stressors, neutralising free radicals and promoting a youthful appearance. As well as enhancing skin resilience, reducing oxidative damage, and fostering a radiant, revitalised complexion.
