Extraction process

Cold-pressed extraction is a method used to extract natural oils from various plant-based sources. It involves applying mechanical pressure to the source material without the use of heat or chemicals, resulting in a pure and unrefined oil.

Skin Benefits

Cold Pressed Broccoli Seed Oil provides moisturization and rejuvenation to the skin. It helps to hydrate, nourish, and promote a youthful appearance. The oil's high antioxidant and fatty acid content offers protection and support for skin health. Incorporate Cold Pressed Broccoli Seed Oil into your formulations for its moisturising and rejuvenating benefits.

Hair Benefits

Cold Pressed Broccoli Seed Oil provides moisturization and nourishment to the hair. It helps to hydrate, condition, and promote healthy hair. The oil's high antioxidant and fatty acid content offers protection and support for hair health. Incorporate Cold Pressed Broccoli Seed Oil into your haircare formulations for its moisturising and nourishing benefits.

Functionality

Anti-Aging

Packed with antioxidants, it helps fight free radicals and reduce the signs of ageing. It promotes the production of collagen, improving skin elasticity and firmness, and diminishing the appearance of fine lines and wrinkles.

Easily-Absorbed

Quickly absorbs into the skin without leaving a greasy residue. Lightweight and ensures fast penetration, delivering essential nutrients and hydration for a smooth and nourished complexion.

Regenerative

Promotes the regeneration of skin cells, aiding in the healing of wounds, scars, and skin damage. It helps accelerate the skin's natural renewal process, leading to a smoother and more youthful appearance.

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.

Sebum Control

Regulates and balances the skin's sebum production, keeping the skin's oil levels balanced and preventing clogged pores. It is beneficial for oily or combination skin, reducing shine and the risk of clogged pores.
