| Product Page Intro | Introducing Buriti Oil, Cold Pressed Organic. Centuries ago, Indigenous tribes, including the Yanomami and Kayapo, held deep reverence for the Buriti tree, considering it sacred and a symbol of life and vitality. In the modern day, studies revealed that Buriti Oil is packed with antioxidants which help to protect the skin from free radicals and environmental damage. Its high content of essential fatty acids nourish and moisturise the skin and hair, keeping it soft and supple. The oil is also a natural source of vitamin E, known for its skin-nourishing and protective properties. Its emollient nature helps to moisturise and soothe the skin, making it an excellent choice for dry and sensitive skin types. Additionally, it aids in maintaining the skin's elasticity and promoting a youthful appearance. Order a sample or request a quote today! |
| Product Status | Pure & Natural. |
