Extraction process

Cold-pressed extraction is a method used to extract natural oils from various plant-based sources. It involves applying mechanical pressure to the source material without the use of heat or chemicals, resulting in a pure and unrefined oil.

Skin Benefits

Cold Pressed Buriti Oil provides nourishment and rejuvenation to the skin. It helps to hydrate, nourish, and promote a youthful appearance. The oil's rich content of carotenoids and vitamin E offers antioxidant benefits, protecting the skin from free radicals. Incorporate Cold Pressed Buriti Oil into your skincare formulations for its nourishing and rejuvenating properties.

Hair Benefits

Cold Pressed Buriti Oil provides nourishment and rejuvenation to the hair. It helps to hydrate, condition, and promote healthy hair. The oil's nourishing properties contribute to the overall health and vitality of the hair. Incorporate Cold Pressed Buriti Oil into your haircare formulations for its nourishing and rejuvenating benefits.

Functionality

Anti-Aging

Packed with antioxidants, it helps fight free radicals and reduce the signs of ageing. It promotes the production of collagen, improving skin elasticity and firmness, and diminishing the appearance of fine lines and wrinkles.

Easily-Absorbed

Quickly absorbs into the skin without leaving a greasy residue. Lightweight and ensures fast penetration, delivering essential nutrients and hydration for a smooth and nourished complexion.

Skin Brightening

Contains natural skin-brightening properties. It helps even out skin tone, reduce the appearance of dark spots and hyperpigmentation, and promote a more radiant complexion.

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.
