

Product Code	K1210
Product Name	Cactus, Water (Hydrolat)
Alcohol Status	O&3 can confirm that Cactus, Water (Hydrolat) is free of Alcohol.
Animal Testing	O&3 can confirm that Cactus, Water (Hydrolat) has not been Animal Tested for cosmetic purposes by or on behalf of the company, nor has any of its component parts named in the International Cosmetic Ingredient Dictionary & Handbook (11th Edition), 31st December 1990.
BSE/TSE Status	O&3 can confirm that Cactus, Water (Hydrolat) is not derived from Animal Origin, therefore a BSE/TSE statement is not applicable.
Calif Proposition 65	O&3 can confirm to their best of their knowledge that Cactus, Water (Hydrolat) does not contain any contaminants or bi-products known to the State of California that may cause cancer or reproductive toxity as listed under proposition 65 State Drinking Water & Toxic Enforcement Act.
CAS Number	90082-21-6 & 77-92-9 / 5949-29-1 & 24634-61-5 / 590-00-1 & 532-32-1
Chloramphenicol Residue	O&3 can confirm that Cactus, Water (Hydrolat) is free from Chloramphenicol residues.
CITES Status	O&3 can confirm that Cactus, Water (Hydrolat) is not endangered & therefore not applicable for CITES certification.
Classification, Labelling & Packaging (CLP)	O&3 can confirm that Cactus, Water (Hydrolat) complies with Regulation (EC) no 1272/2008; classification, labelling & packaging of substances and mixtures (CLP).
CMR Status	O&3 can confirm that Cactus, Water (Hydrolat) is not classified as carcinogenic, mutagenic or toxic according to regulation 1272/2008.
Cosmetic Status	O&3 can confirm that Cactus, Water (Hydrolat) is suitable for cosmetic application. It is not included in the list of substances prohibited in cosmetic products. Neither does it contain parabens, restricted preservatives, colorants or UV filters (Annex II - VI of EU Regulation 1223/2009).
Customs Tariff Code	3301909000
EINCS Number	290-109-1 & 201-069-1 & 246-376-1 & 208-534-8
Ethylene Oxide Status	O&3 can confirm that Ethylene Oxide is not being used in production process of Cactus, Water (Hydrolat).
Food Status	O&3 can confirm that Cactus, Water (Hydrolat) is not suitable for food, however is suitable for cosmetic application. It is not included in the list of substances prohibited in cosmetic products. Neither does it contain parabens, restricted preservatives, colorants or UV filters (Annex II - VI of EU Regulation 1223/2009). Food grades are available on request.
Functionality	Healing & Soothing
Gluten Free	O&3 can confirm that Cactus, Water (Hydrolat) is not derived from, neither does it contain any Gluten ingredients.
Gluten Free Statement	O&3 can confirm that Cactus, Water (Hydrolat) is not derived from, neither does it contain any Gluten ingredients.
GMO (IP) Status	O&3 can confirm that Cactus, Water (Hydrolat) is not derived/produced from a raw material that has been genetically modified.
HACCP & GMP Statement	O&3 can confirm that Cactus, Water (Hydrolat) has been produced under Good Manufacturing Practices (GMP) and a HACCP system. O&3 is BRC certified.

The attached information is considered to be correct. Please be aware that detail can change and we encourage clients to update their technical records regularly via www.oand3.com/products/. The information is not and should not be considered a guarantee or warranty, or a part of our contractual or other legal obligations. It is the ultimate responsibility of the client to pre-approve & assess the safety and suitability of the listed ingredient before use in any final formulations. We encourage carrying out additional tests if necessary. The information is not to be disclosed to others, reproduced or transmitted in whole or in part without permission from O&3.

help alleviate scalp irritations and promote a relaxed and balanced scalp environment. The water's hydrating and refershing difects can also contribute to maintaining a healthy scalp and hit. Additionally Cactus, Water (Hydrota) has potential antioxidant properties, which can help protect the hair from free radicate and environmental damage. It can be incorporated into hair care products such as refreshing sprays and scalp treatments to enhance the health and appearance of the hair, as well as provide a gentle and soothing sensation.     Halal   Q63 can confirm this product is not Halal centified, however it does not contain any animal derived product or ingredient, hence it is HALAL applicable.
