Skin Benefits

Organic Cajeput Essential Oil provides a refreshing and invigorating scent. It is often used in perfumes, soaps, and skincare formulations for its aromatic properties. Incorporate Organic Cajeput Essential Oil into your formulations for its revitalising benefits, while meeting organic standards.

Hair Benefits

Organic Cajeput Essential Oil offers similar hair benefits to regular Cajeput Essential Oil. It provides antifungal and antibacterial properties to address scalp conditions and promotes healthy hair growth. The organic variant ensures that the essential oil is derived from organically grown cajeput plants, reducing exposure to potentially harmful pesticides or chemicals. By incorporating Organic Cajeput Essential Oil into your hair care routine, you can enjoy the same benefits while opting for an organic and natural option for your hair care.

Functionality

The attached information is considered to be correct. Please be aware that detail can change and we encourage clients to update their technical records regularly via www.oand3.com/products/.

The information is not and should not be considered a guarantee or warranty, or a part of our contractual or other legal obligations. It is the ultimate responsibility of the client to pre-approve & assess the safety and suitability of the listed ingredient before use in any final formulations. We encourage carrying out additional tests if necessary. The information is not to be disclosed to others, reproduced or transmitted in whole or in part without permission from O&3.

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Cleansing

Acts as a natural cleanser, effectively removing dirt, impurities, and excess oil from the skin and hair. It helps keep pores clean and clear, reducing the risk of acne and promoting a fresh, revitalised appearance.

Antimicrobial

With potent antimicrobial features, it effectively combats harmful microbes, preventing infections and promoting skin health. It supports a clean and clear complexion, safeguarding against unwanted bacteria.

Cooling

Provides a refreshing and cooling sensation to the skin, helping to alleviate heat and discomfort. Ideal for use in products designed to soothe sunburns or calm irritated skin.
