Extraction process

Refining is an extraction method that purifies oils by removing impurities and undesirable elements. It includes techniques such as degumming, neutralisation, bleaching, and deodorisation to enhance the quality, stability, and versatility of the oil for various applications.

The attached information is considered to be correct. Please be aware that detail can change and we encourage clients to update their technical records regularly via www.oand3.com/products/.

The information is not and should not be considered a guarantee or warranty, or a part of our contractual or other legal obligations. It is the ultimate responsibility of the client to pre-approve & assess the safety and suitability of the listed ingredient before use in any final formulations. We encourage carrying out additional tests if necessary. The information is not to be disclosed to others, reproduced or transmitted in whole or in part without permission from O&3.

Skin Benefits

Camellia Oil (Kissi) in its refined form is a true beauty elixir. This exquisite oil is rich in essential fatty acids and antioxidants, deeply nourishing the skin and promoting a youthful, radiant complexion. It provides long-lasting hydration and helps maintain the skin's natural moisture barrier, preventing dryness and irritation. The lightweight and fast-absorbing texture of this refined oil makes it suitable for all skin types, even sensitive skin. Embrace the elegance of Camellia Oil (Kissi) and elevate your skincare routine with its nourishing properties.

Functionality

Anti-Aging

Packed with antioxidants, it helps fight free radicals and reduce the signs of ageing. It promotes the production of collagen, improving skin elasticity and firmness, and diminishing the appearance of fine lines and wrinkles.

Easily-Absorbed

Quickly absorbs into the skin without leaving a greasy residue. Lightweight and ensures fast penetration, delivering essential nutrients and hydration for a smooth and nourished complexion.

Skin Brightening

Contains natural skin-brightening properties. It helps even out skin tone, reduce the appearance of dark spots and hyperpigmentation, and promote a more radiant complexion.

Hair Benefits

Transform your hair with the elegance of Camellia Oil (Kissi) in its refined form. This luxurious oil deeply penetrates the hair shaft, delivering essential nutrients and moisture, resulting in smooth, lustrous locks. It tames frizz and flyaways, promoting manageability and shine. With its non-greasy texture, this refined oil is perfect for daily hair care and styling. Treat your hair to the refinement it deserves and indulge in the opulence of this Camellia Oil (Kissi) for beautiful and healthy-looking tresses.

Antioxidant

Rich in antioxidants, it shields the skin from environmental stressors, neutralising free radicals and promoting a youthful appearance. As well as enhancing skin resilience, reducing oxidative damage, and fostering a radiant, revitalised complexion.

Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.

Skin Tightening

Promotes skin elasticity and firmness, reducing the appearance of wrinkles. It helps maintain a youthful and lifted look by supporting collagen production, giving the skin a tighter and more toned feel.
