Extraction process

Refining is an extraction method that purifies oils by removing impurities and undesirable elements. It includes techniques such as degumming, neutralisation, bleaching, and deodorisation to enhance the quality, stability, and versatility of the oil for various applications.

Skin Benefits

Refined Organic Camellia Oil (Camellia Oleifera) provides moisturization and nourishment to the skin. It helps to hydrate, soften, and promote a healthy complexion. The oil's moisturising properties make it a valuable ingredient in skincare formulations. Incorporate Refined Organic Camellia Oil into your formulations for its moisturising and nourishing properties, while meeting organic standards.

Functionality

Anti-Aging

Packed with antioxidants, it helps fight free radicals and reduce the signs of ageing. It promotes the production of collagen, improving skin elasticity and firmness, and diminishing the appearance of fine lines and wrinkles.

Easily-Absorbed

Quickly absorbs into the skin without leaving a greasy residue. Lightweight and ensures fast penetration, delivering essential nutrients and hydration for a smooth and nourished complexion.

Regenerative

Promotes the regeneration of skin cells, aiding in the healing of wounds, scars, and skin damage. It helps accelerate the skin's natural renewal process, leading to a smoother and more youthful appearance.

Hair Benefits

Refined Organic Camellia Oil (Oleifera) is a lightweight and non-greasy oil that provides excellent hair benefits. It helps nourish and Moisturise the hair, promoting softness and shine. The oil's lightweight texture makes it suitable for all hair types, including fine or thin hair. Refined Organic Camellia Oil (Oleifera) also helps protect the hair from environmental damage and can reduce frizz and flyaways. Incorporate this refined organic oil into your hair care routine for a luxurious and nourishing experience that leaves your hair looking healthy and radiant.

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.

Skin Tightening

Promotes skin elasticity and firmness, reducing the appearance of wrinkles. It helps maintain a youthful and lifted look by supporting collagen production, giving the skin a tighter and more toned feel.
