Product Page Intro	Embark on a transformative journey with Camellia Oil (Sinensis), Refined and delve into the riches of nature for skin and hair! Also known as tea seed oil, Camellia Sinensis Oil is derived from the seeds of the Camellia sinensis plant, which is famous for being the source of traditional tea varieties such as green tea, black tea, and oolong tea. Camellia Oil, a lightweight, non-comedogenic ingredient, boasts a wealth of essential fatty acids and vitamins, gracefully accommodating all skin types, even the most sensitive. It stands out for its remarkable capacity to provide profound nourishment and hydration, resulting in skin that feels velvety, supple, and rejuvenated. Furthermore, it aids in diminishing the visibility of fine lines and wrinkles, enhancing the skin's complexion and texture. Request a quote or secure a sample now!
