Skin Benefits

Castor, Hydrogenated (non Food Grade) oil is known for its moisturising and emollient properties. It helps to soften and condition the skin, providing long-lasting hydration. The oil acts as a protective barrier, preventing moisture loss and keeping the skin moisturised. It can be used in various skincare products to enhance their texture, provide a glossy finish, and improve the skin's overall appearance. Castor, Hydrogenated (non Food Grade) oil is also commonly used in hair care products to nourish and moisturise the hair, promoting softness and shine. It can help reduce frizz, enhance manageability, and support overall hair health.

Functionality

Anti-Aging

Packed with antioxidants, it helps fight free radicals and reduce the signs of ageing. It promotes the production of collagen, improving skin elasticity and firmness, and diminishing the appearance of fine lines and wrinkles.

Cleansing

Acts as a natural cleanser, effectively removing dirt, impurities, and excess oil from the skin and hair. It helps keep pores clean and clear, reducing the risk of acne and promoting a fresh, revitalised appearance.

Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.

Hair Benefits

Castor, Hydrogenated (non Food Grade) oil can provide multiple benefits for hair care. Its moisturising properties help to hydrate and condition the hair, reducing dryness and brittleness. The oil helps to improve the manageability and softness of the hair, making it easier to style and reducing frizz. Additionally, Castor, Hydrogenated (non Food Grade) oil can provide a glossy finish to the hair, enhancing its shine and luster. It can be incorporated into various hair care products such as pomades, waxes, and styling products to improve their texture and performance.

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Easily-Absorbed

Quickly absorbs into the skin without leaving a greasy residue. Lightweight and ensures fast penetration, delivering essential nutrients and hydration for a smooth and nourished complexion.
