Product Page Intro	Introducing Castor Oil (BP) Cold Pressed, used for centuries for its medicinal and cosmetic benefits. Castor oil is rich in ricinoleic acid, a fatty acid that has anti-inflammatory, antimicrobial, and moisturising properties. It is also a good source of vitamins and minerals, including vitamin E, vitamin A, and zinc. Castor Oil has a variety of skincare benefits. It can be used to moisturise dry skin, reduce inflammation, as well as treat acne and other skin conditions. Castor Oil is also often used to promote hair growth and strengthen eyelashes and eyebrows. In addition to its hair and skincare benefits, Castor Oil is also used in a variety of other products, including laxatives, soaps, and lubricants. Whether you seek transformation through skincare or haircare, request a quotation or order a sample, and embrace the essence of nature within your formulations!
