Customs Tariff Code
3301 2949 00

Skin Benefits

Catnip, Essential Oil is known for its relaxing and calming effects. It can help reduce stress and anxiety, promoting a sense of relaxation. The oil is often used in aromatherapy products and massage oils to create a soothing and tranquil environment. Catnip, Essential Oil is also known for its potential insect-repellent properties, making it a natural alternative for keeping insects at bay. It can be used in various personal care products such as soaps, candles, perfumes, and hair care products to add a refreshing and calming aroma.

Hair Benefits

Catnip, Essential Oil can provide soothing benefits for the hair and scalp. Its calming properties can help alleviate scalp irritation and itchiness. The oil can also contribute to a relaxing and stress-relieving hair care routine. Additionally, Catnip, Essential Oil is known for its potential insect-repellent properties, which can help keep insects away from the hair. It can be incorporated into hair care products such as shampoos, conditioners, and scalp treatments to promote a calming and refreshed scalp, as well as provide a pleasant aroma to the hair.

Functionality

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Warming

Introduces a gentle warming sensation to the skin, providing a comforting and soothing effect. This property is ideal for products designed to promote relaxation, especially in massage oils or creams

Stress Relief

With its calming properties, it helps reduce stress and tension, which can have positive effects on the skin and overall well-being. Stress relief can also contribute to a more balanced complexion.
