Skin Benefits

Cedarleaf (Thuja Leaf), Essential Oil is known for its relaxing and grounding properties. It can help create a sense of calm and tranquility, promoting a peaceful environment. The oil is often used in aromatherapy products and massage oils to induce relaxation and uplift the mood. Cedarleaf (Thuja Leaf), Essential Oil also possesses purifying and deodorizing properties, making it a popular choice for creating fresh and pleasant scents. Additionally, the oil may have insect-repellent effects, helping to keep insects at bay. It can be incorporated into various personal care products such as soaps, candles, perfumes, and hair care products to add a soothing and refreshing aroma.

Hair Benefits

Cedarleaf (Thuja Leaf), Essential Oil can provide a refreshing and invigorating experience for the hair and scalp. Its uplifting properties can help stimulate the senses and promote a sense of energy. The oil may also possess purifying properties, which can help maintain a clean and healthy scalp environment. Additionally, Cedarleaf (Thuja Leaf), Essential Oil is known for its potential insect-repellent effects, which can help keep insects away from the hair. It can be incorporated into hair care products such as shampoos, conditioners, and scalp treatments to add a revitalising aroma and provide a refreshing experience for the hair and scalp.
