Skin Benefits

Cedarwood Atlas, Essential Oil is known for its grounding and calming properties. It can help promote a sense of balance and relaxation, alleviating stress and tension. The oil's warm and woody aroma creates a soothing and comforting atmosphere. Cedarwood Atlas, Essential Oil is often used in aromatherapy products, massage oils, and bath products to induce relaxation and create a peaceful environment. Additionally, the oil possesses insect-repellent properties, making it a natural choice for keeping insects away. It can be incorporated into personal care products such as soaps, candles, perfumes, and hair care products to add a warm and woody scent.

Hair Benefits

Cedarwood Atlas, Essential Oil can provide beneficial effects for the hair and scalp. Its grounding properties can help reduce scalp irritations and promote a balanced scalp environment. The oil's soothing and calming effects can also help alleviate scalp discomfort and itching. Additionally, Cedarwood Atlas, Essential Oil has potential insect-repellent properties, which can help protect the hair from pests. It can be incorporated into hair care products such as shampoos, conditioners, and scalp treatments to enhance the health and appearance of the hair, as well as add a pleasant woody aroma.

Functionality

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Cooling

Provides a refreshing and cooling sensation to the skin, helping to alleviate heat and discomfort. Ideal for use in products designed to soothe sunburns or calm irritated skin.

Antimicrobial

With potent antimicrobial features, it effectively combats harmful microbes, preventing infections and promoting skin health. It supports a clean and clear complexion, safeguarding against unwanted bacteria.
