Skin Benefits

Cedarwood, Essential Oil is known for its grounding and relaxing properties. It can help create a sense of calm and stability, promoting a balanced state of mind. The oil is often used in aromatherapy products and massage oils to induce relaxation and alleviate stress. Cedarwood, Essential Oil also possesses insect-repellent and antiseptic properties, making it a natural choice for keeping insects away and supporting a clean environment. Additionally, the oil's woody and earthy aroma adds a comforting and soothing element to personal care products such as soaps, candles, perfumes, and hair care products.

Functionality

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Cooling

Provides a refreshing and cooling sensation to the skin, helping to alleviate heat and discomfort. Ideal for use in products designed to soothe sunburns or calm irritated skin.

Hair Benefits

Cedarwood, Essential Oil can provide beneficial effects for the hair and scalp. Its grounding properties can help promote a sense of stability and balance, reducing feelings of stress and tension. The oil may also possess insect-repellent properties, helping to protect the hair from pests. Additionally, Cedarwood, Essential Oil has antiseptic qualities that can help maintain a clean and healthy scalp environment. It can be incorporated into hair care products such as shampoos, conditioners, and scalp treatments to add a woody aroma and support scalp health.

Antimicrobial

With potent antimicrobial features, it effectively combats harmful microbes, preventing infections and promoting skin health. It supports a clean and clear complexion, safeguarding against unwanted bacteria.
