## Skin Benefits

Celery Seed, Essential Oil is known for its unique and refreshing aroma. It has energising and uplifting properties, helping to invigorate the mind and promote a sense of vitality. The oil is often used in aromatherapy products and massage oils to create an uplifting and purifying atmosphere. Celery Seed, Essential Oil is also known for its potential digestive support and antioxidant properties. Additionally, the oil possesses detoxifying effects, contributing to overall well-being. It can be incorporated into various personal care products such as soaps, candles, perfumes, and hair care products to add a refreshing and revitalising scent.

## Hair Benefits

Celery Seed, Essential Oil can provide refreshing benefits for the hair and scalp. Its energising properties can help Revitalise and invigorate the scalp, promoting a refreshed and rejuvenated sensation. The oil's purifying effects can also contribute to maintaining a clean and healthy scalp environment. Additionally, Celery Seed, Essential Oil possesses potential antioxidant properties, which can help protect the hair from oxidative stress and environmental damage. It can be incorporated into hair care products such as shampoos, conditioners, and scalp treatments to provide a refreshing and revitalising experience for the hair and scalp.

## Functionality

The attached information is considered to be correct. Please be aware that detail can change and we encourage clients to update their technical records regularly via [www.oand3.com/products/](http://www.oand3.com/products/).

The information is not and should not be considered a guarantee or warranty, or a part of our contractual or other legal obligations. It is the ultimate responsibility of the client to pre-approve & assess the safety and suitability of the listed ingredient before use in any final formulations. We encourage carrying out additional tests if necessary. The information is not to be disclosed to others, reproduced or transmitted in whole or in part without permission from O&3.

### **Anti-Inflammatory**

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

### **Cleansing**

Acts as a natural cleanser, effectively removing dirt, impurities, and excess oil from the skin and hair. It helps keep pores clean and clear, reducing the risk of acne and promoting a fresh, revitalised appearance.

### **Antioxidant**

Rich in antioxidants, it shields the skin from environmental stressors, neutralising free radicals and promoting a youthful appearance. As well as enhancing skin resilience, reducing oxidative damage, and fostering a radiant, revitalised complexion.

### **Cooling**

Provides a refreshing and cooling sensation to the skin, helping to alleviate heat and discomfort. Ideal for use in products designed to soothe sunburns or calm irritated skin.
