Skin Benefits

Experience the calming benefits of Chamomile German Water. This hydrolat soothes and hydrates the skin, promoting a healthy complexion. Elevate your formulations with the natural properties of chamomile water.

Hair Benefits

Chamomile German, Water (Hydrolat) can provide soothing benefits for the hair and scalp. Its calming properties can help alleviate scalp irritations and promote a relaxed and balanced scalp environment. The water's hydrating and refreshing effects can also contribute to maintaining a healthy scalp and hair. Additionally, Chamomile German, Water (Hydrolat) has potential antioxidant properties, which can help protect the hair from free radicals and environmental damage. It can be incorporated into hair care products such as refreshing sprays and scalp treatments to enhance the health and appearance of the hair, as well as provide a gentle and soothing sensation.

Functionality

The attached information is considered to be correct. Please be aware that detail can change and we encourage clients to update their technical records regularly via www.oand3.com/products/.

The information is not and should not be considered a guarantee or warranty, or a part of our contractual or other legal obligations. It is the ultimate responsibility of the client to pre-approve & assess the safety and suitability of the listed ingredient before use in any final formulations. We encourage carrying out additional tests if necessary. The information is not to be disclosed to others, reproduced or transmitted in whole or in part without permission from O&3.

Healing & Soothing

With its anti-inflammatory properties, it soothes irritated and inflamed skin. It aids in the healing process, making it beneficial for conditions such as acne, eczema, and rosacea.
