Skin Benefits

Chamomile, Infused in Sunflower Oil is known for its gentle and soothing properties. It can help calm and nourish the skin, providing relief to dry and sensitive areas. The oil has a delicate and floral aroma that creates a soothing and comforting sensation.

Chamomile, Infused in Sunflower Oil is often used in facial serums, moisturisers, massage oils, and soothing balms. It can also be incorporated into baby care products, hair care products, and bath products for its gentle and nourishing effects. The oil contains compounds such as chamazulene and bisabolol, which contribute to its therapeutic benefits.

Functionality

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.

Hair Benefits

Chamomile, Infused in Sunflower Oil can provide soothing benefits for the hair and scalp. Its calming properties can help alleviate scalp irritations and promote a relaxed and balanced scalp environment. The oil's nourishing and moisturising effects can also contribute to maintaining healthy scalp and hair. Additionally, Chamomile, Infused in Sunflower Oil has potential antioxidant properties, which can help protect the hair from free radicals and environmental damage. It can be incorporated into hair care products such as serums, moisturisers, and scalp treatments to enhance the health and appearance of the hair, as well as provide a gentle and soothing sensation.

Healing & Soothing

With its anti-inflammatory properties, it soothes irritated and inflamed skin. It aids in the healing process, making it beneficial for conditions such as acne, eczema, and rosacea.
