Skin Benefits

Chamomile Roman, Water (Hydrolat) is known for its gentle and soothing properties. It can help calm and hydrate the skin, providing relief to dry and sensitive areas. The water has a delicate and floral aroma that creates a refreshing and soothing sensation.

Chamomile Roman, Water (Hydrolat) is often used in facial toners, mists, and soothing balms. It can also be incorporated into baby care products and hair care products for its gentle and soothing effects. The water contains compounds such as chamazulene and bisabolol, which contribute to its therapeutic benefits.

Hair Benefits

Chamomile Roman, Water (Hydrolat) can provide soothing benefits for the hair and scalp. Its calming properties can help alleviate scalp irritations and promote a relaxed and balanced scalp environment. The water's hydrating and refreshing effects can also contribute to maintaining a healthy scalp and hair. Additionally, Chamomile Roman, Water (Hydrolat) has potential antioxidant properties, which can help protect the hair from free radicals and environmental damage. It can be incorporated into hair care products such as refreshing sprays and scalp treatments to enhance the health and appearance of the hair, as well as provide a gentle and soothing sensation.

Functionality

Healing & Soothing

With its anti-inflammatory properties, it soothes irritated and inflamed skin. It aids in the healing process, making it beneficial for conditions such as acne, eczema, and rosacea.
