Extraction process

Refining is an extraction method that purifies oils by removing impurities and undesirable elements. It includes techniques such as degumming, neutralisation, bleaching, and deodorisation to enhance the quality, stability, and versatility of the oil for various applications.

The attached information is considered to be correct. Please be aware that detail can change and we encourage clients to update their technical records regularly via www.oand3.com/products/.

The information is not and should not be considered a guarantee or warranty, or a part of our contractual or other legal obligations. It is the ultimate responsibility of the client to pre-approve & assess the safety and suitability of the listed ingredient before use in any final formulations. We encourage carrying out additional tests if necessary. The information is not to be disclosed to others, reproduced or transmitted in whole or in part without permission from O&3.

Skin Benefits

Refined Cherry Kernel Oil is known for its nourishing and moisturising properties. It can help hydrate the skin, improve moisture retention, and promote a soft and supple complexion. The oil has a neutral aroma, making it suitable for various personal care products. Refined Cherry Kernel Oil is often used in facial serums, moisturisers, massage oils, soaps, hair care products, lip balms, body oils, and bath products. It contains essential fatty acids, including omega-3, omega-6, and omega-9, which contribute to its nourishing effects. It is also rich in vitamin E, a potent antioxidant that helps protect the skin from oxidative stress and premature aging. Refined Cherry Kernel Oil has emollient properties that make it beneficial for dry and sensitive skin.

Functionality

Anti-Aging

Packed with antioxidants, it helps fight free radicals and reduce the signs of ageing. It promotes the production of collagen, improving skin elasticity and firmness, and diminishing the appearance of fine lines and wrinkles.

Antioxidant

Rich in antioxidants, it shields the skin from environmental stressors, neutralising free radicals and promoting a youthful appearance. As well as enhancing skin resilience, reducing oxidative damage, and fostering a radiant, revitalised complexion.

Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.

Hair Benefits

Refined Cherry Kernel Oil can provide nourishing benefits for the hair and scalp. Its moisturising properties can help hydrate and condition the hair, reducing dryness and promoting a healthy shine. The oil's emollient effects can also contribute to smoother and more manageable hair. Additionally, Refined Cherry Kernel Oil contains vitamin E, an antioxidant that helps protect the hair from environmental damage and free radicals. It can be incorporated into hair care products such as hair oils, serums, and conditioners to enhance the health and appearance of the hair.

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Easily-Absorbed

Quickly absorbs into the skin without leaving a greasy residue. Lightweight and ensures fast penetration, delivering essential nutrients and hydration for a smooth and nourished complexion.
