Skin Benefits

Citrus Blend Essential Oil offers an uplifting and refreshing aroma that can invigorate the senses. It is commonly used in candles, soaps, perfumes, aromatherapy, and various personal care products. The oil has energising properties and can help create a positive and cheerful ambiance. Citrus Blend Essential Oil contains a blend of monoterpenes, including limonene, citral, linalool, geraniol, myrcene, and terpinolene, which contribute to its characteristic citrus scent and functional properties.

Hair Benefits

Citrus Blend Essential Oil can help cleanse and refresh the scalp. Its uplifting aroma can also help uplift the mood and provide a sense of energy. Additionally, Citrus Blend Essential Oil has potential antimicrobial properties, which can contribute to a healthy scalp environment. It can be incorporated into hair care products such as shampoos, conditioners, and scalp treatments to enhance the cleanliness and vitality of the hair and scalp.

Functionality

The attached information is considered to be correct. Please be aware that detail can change and we encourage clients to update their technical records regularly via www.oand3.com/products/.

The information is not and should not be considered a guarantee or warranty, or a part of our contractual or other legal obligations. It is the ultimate responsibility of the client to pre-approve & assess the safety and suitability of the listed ingredient before use in any final formulations. We encourage carrying out additional tests if necessary. The information is not to be disclosed to others, reproduced or transmitted in whole or in part without permission from O&3.

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Cleansing

Acts as a natural cleanser, effectively removing dirt, impurities, and excess oil from the skin and hair. It helps keep pores clean and clear, reducing the risk of acne and promoting a fresh, revitalised appearance.

Energising

Provides a boost of energy and revitalisation, helping to combat fatigue and lethargy. This can lead to a refreshed and invigorated appearance, both for the skin and hair.

Antimicrobial

With potent antimicrobial features, it effectively combats harmful microbes, preventing infections and promoting skin health. It supports a clean and clear complexion, safeguarding against unwanted bacteria.

Cooling

Provides a refreshing and cooling sensation to the skin, helping to alleviate heat and discomfort. Ideal for use in products designed to soothe sunburns or calm irritated skin.
