## **Skin Benefits**

Organic Clove Leaf Essential Oil offers the same warm and spicy aroma as conventional clove leaf oil but with the added benefit of being organically sourced. It is commonly used in perfumes, candles, soaps, hair care products, massage oils, bath products, and aromatherapy. The oil has warming and stimulating properties that can help improve blood circulation, provide a sensation of warmth, and soothe the senses. Clove Leaf Essential Oil also has antiseptic and antibacterial properties, making it beneficial for skin care formulations. It contains eugenol and ?-caryophyllene, which contribute to its characteristic scent and functional properties.

## **Hair Benefits**

Organic Clove Leaf Essential Oil can provide a warming and stimulating sensation to the scalp. Its invigorating properties can help improve blood circulation, promoting hair growth and scalp health. Additionally, Organic Clove Leaf Essential Oil has potential antiseptic and antibacterial effects, which can help cleanse and purify the scalp. It can be incorporated into hair care products such as shampoos, conditioners, and scalp treatments to enhance scalp health and provide a warm and spicy fragrance.

## **Functionality**

### **Anti-Inflammatory**

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

### Cooling

Provides a refreshing and cooling sensation to the skin, helping to alleviate heat and discomfort. Ideal for use in products designed to soothe sunburns or calm irritated skin.

#### **Antimicrobial**

With potent antimicrobial features, it effectively combats harmful microbes, preventing infections and promoting skin health. It supports a clean and clear complexion, safeguarding against unwanted bacteria.

### **Healing & Soothing**

With its anti-inflammatory properties, it soothes irritated and inflamed skin. It aids in the healing process, making it beneficial for conditions such as acne, eczema, and rosacea.
