Skin Benefits	Deodorised Cocoa Butter offers the same nourishing and moisturising benefits as unrefined cocoa butter but with the added benefit of having a neutral aroma. It is commonly used in lip balms, body butters, moisturisers, lotions, soaps, hair care products, cosmetics, massage oils, and bath products. The butter has a rich and chocolatey aroma that adds a pleasant scent to formulations. Deodorised Cocoa Butter is a natural emollient that helps soften and smooth the skin. It provides a protective barrier that locks in moisture and helps prevent moisture loss. The butter also contains antioxidants that help protect the skin from oxidative stress and signs of aging. Its creamy texture adds richness and indulgence to cosmetic and personal care products.
SVHC (Substances of Very High Concern) & Impurities Status	O&3 can confirm that Cocoa Butter, Deodorised is free from of SVHC and any impurities.
Vegan	O&3 can confirm that Cocoa Butter, Deodorised is suitable for Vegans.
Natural Index	1
Natural Content	100%
