Extraction process

Cold-pressed extraction is a method used to extract natural oils from various plant-based sources. It involves applying mechanical pressure to the source material without the use of heat or chemicals, resulting in a pure and unrefined oil.

Skin Benefits

Cold Pressed Coffee Roasted Oil is a rich and aromatic oil derived from roasted coffee beans. It has a rich coffee aroma and a dark color. The oil is commonly used in massage oils, hair care products, beard oils, bath products, and soap making. Cold Pressed Coffee Roasted Oil is nourishing, moisturising, and emollient, helping to soften and condition the skin and hair. It is also rich in antioxidants, which provide protection against oxidative stress. The aromatic notes of the oil add a delightful scent to formulations, enhancing the sensory experience.

Hair Benefits

Cold Pressed Coffee Roasted Oil can provide nourishing benefits to the hair and scalp. Its emollient properties help to moisturise and condition the hair, reducing dryness and improving manageability. Additionally, the rich coffee aroma of the oil adds a pleasant scent to hair care products. It can be incorporated into hair oils, hair masks, and leave-in treatments to enhance the sensory experience and add a rich coffee fragrance to the hair.

Functionality

Anti-Aging

Packed with antioxidants, it helps fight free radicals and reduce the signs of ageing. It promotes the production of collagen, improving skin elasticity and firmness, and diminishing the appearance of fine lines and wrinkles.

Easily-Absorbed

Quickly absorbs into the skin without leaving a greasy residue. Lightweight and ensures fast penetration, delivering essential nutrients and hydration for a smooth and nourished complexion.

Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Healing & Soothing

With its anti-inflammatory properties, it soothes irritated and inflamed skin. It aids in the healing process, making it beneficial for conditions such as acne, eczema, and rosacea.

Skin Brightening

Contains natural skin-brightening properties. It helps even out skin tone, reduce the appearance of dark spots and hyperpigmentation, and promote a more radiant complexion.
