Skin Benefits

Comfrey Infused in Almond Oil Organic offers soothing properties and is derived from organic comfrey herbs infused in almond oil. It has an earthy and herbal aroma and a green color. The infused oil is commonly used in moisturisers, balms, salves, soaps, massage oils, bath products, hair care products, and culinary applications. Comfrey Infused in Almond Oil is known for its soothing and calming effects on the skin. It moisturises and nourishes the skin, making it feel soft and supple. The oil is also emollient and helps to condition the skin. It is a popular choice for sensitive and irritated skin, as it provides gentle care and relief. In addition to its skin care applications, Comfrey Infused in Almond Oil can be used in culinary preparations for its herbal flavor and potential health benefits.

Hair Benefits

Comfrey Infused in Almond Oil Organic can provide soothing benefits to the hair and scalp. Its calming properties help to alleviate scalp irritation and discomfort. Additionally, the nourishing and emollient properties of the oil help to moisturise and condition the hair, reducing dryness and improving manageability. It can be incorporated into hair care products such as hair oils, scalp treatments, and hair masks to provide gentle care and nourishment to the hair strands.

Functionality

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthierlooking skin.

Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.

Healing & Soothing

With its anti-inflammatory properties, it soothes irritated and inflamed skin. It aids in the healing process, making it beneficial for conditions such as acne, eczema, and rosacea.
