Cetearyl Alcohol &  
Sodium Lauryl Sulfate

**Manufacturing Method**  
Blended

**CAS Number**  
67762-27-0 / 8005-44-5  
& 151-21-3

**EINCS**  
267-008-6 & 205-788-1

**Scent**  
Neutral

**Customs Tariff Code**  
3404 9000 00

**Colour**  
Off-White

## Skin Benefits

Emulsifying Wax is a versatile ingredient used in various formulations. It has an odorless aroma and an off-white color. The wax is commonly used in lotions, creams, balms, body butters, and hair care products. Emulsifying Wax functions as an emulsifier, helping to stabilise and bind water and oil phases together. It allows for the creation of stable and homogenous formulations with smooth textures. Additionally, Emulsifying Wax contributes to the thickening of products, improving their consistency and spreadability. It is an essential ingredient for emulsion-based formulations, ensuring proper emulsion formation and enhancing product performance.

## Hair Benefits

Emulsifying Wax can be used in hair care products to create emulsions such as creams, conditioners, and styling products. It helps bind together the water and oil phases, resulting in stable formulations with smooth textures. Additionally, Emulsifying Wax contributes to the thickening of products, improving their consistency and ease of application. It is an essential ingredient for emulsion-based hair care formulations, ensuring proper emulsion formation and enhancing the performance of the products.

## Functionality

The attached information is considered to be correct. Please be aware that detail can change and we encourage clients to update their technical records regularly via [www.oand3.com/products/](http://www.oand3.com/products/).

The information is not and should not be considered a guarantee or warranty, or a part of our contractual or other legal obligations. It is the ultimate responsibility of the client to pre-approve & assess the safety and suitability of the listed ingredient before use in any final formulations. We encourage carrying out additional tests if necessary. The information is not to be disclosed to others, reproduced or transmitted in whole or in part without permission from O&3.

## Cleansing

Acts as a natural cleanser, effectively removing dirt, impurities, and excess oil from the skin and hair. It helps keep pores clean and clear, reducing the risk of acne and promoting a fresh, revitalised appearance.

## Emulsifying

Seamlessly blends and stabilises ingredients, ensuring a smooth and uniform texture. This enhances product performance, providing a luxurious and effective application experience for optimal skincare benefits.
