Skin Benefits

Brazilian Eucalyptus Essential Oil offers a refreshing and invigorating scent. It has a fresh and camphoraceous aroma with a clear color. The oil is commonly used in perfumes, aromatherapy, massage oils, bath products, and hair care products. Brazilian Eucalyptus Essential Oil provides a refreshing and invigorating experience, promoting a sense of clarity and respiratory well-being. It is known for its respiratory support properties and can be used in formulations targeting congestion and breathing comfort. The oil contains eucalyptol and alpha-pinene, among other components, which contribute to its distinctive aroma. Brazilian Eucalyptus Essential Oil is also used in skin care formulations to provide a cooling sensation and support a clear complexion.

Functionality

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Cooling

Provides a refreshing and cooling sensation to the skin, helping to alleviate heat and discomfort. Ideal for use in products designed to soothe sunburns or calm irritated skin.

Hair Benefits

Brazilian Eucalyptus Essential Oil can add a refreshing and invigorating touch to hair care products. Its cooling properties create a revitalising and stimulating experience for the scalp. Additionally, the fresh and camphoraceous aroma of Brazilian Eucalyptus Essential Oil adds a pleasant scent to hair care formulations. It can be incorporated into shampoos, conditioners, hair oils, and scalp treatments to enhance the sensory experience and provide a unique fragrance to the hair.

Antimicrobial

With potent antimicrobial features, it effectively combats harmful microbes, preventing infections and promoting skin health. It supports a clean and clear complexion, safeguarding against unwanted bacteria.
