## **Skin Benefits**

Eucalyptus Citriodora Essential Oil offers an uplifting and citrusy scent. It has a citrusy and fresh aroma with a clear color. The oil is commonly used in perfumes, aromatherapy, massage oils, bath products, and hair care products. Eucalyptus Citriodora Essential Oil provides an uplifting and refreshing experience, promoting a sense of vitality and well-being. It is known for its insect repellent properties and can be used in formulations targeting outdoor activities and natural insect protection. The oil contains citronellal and citronellol, among other components, which contribute to its distinctive aroma. Eucalyptus Citriodora Essential Oil is also used in skin care formulations to provide a cooling and invigorating sensation.

## **Hair Benefits**

Eucalyptus Citriodora Essential Oil can add an uplifting and citrusy touch to hair care products. Its refreshing properties create a revitalising and invigorating experience for the scalp.

Additionally, the citrusy and fresh aroma of Eucalyptus Citriodora Essential Oil adds a pleasant scent to hair care formulations. It can be incorporated into shampoos, conditioners, hair oils, and scalp treatments to enhance the sensory experience and provide a unique fragrance to the hair.

# **Functionality**

### **Anti-Inflammatory**

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

## Cooling

Provides a refreshing and cooling sensation to the skin, helping to alleviate heat and discomfort. Ideal for use in products designed to soothe sunburns or calm irritated skin.

#### **Antimicrobial**

With potent antimicrobial features, it effectively combats harmful microbes, preventing infections and promoting skin health. It supports a clean and clear complexion, safeguarding against unwanted bacteria.

## **Energising**

Provides a boost of energy and revitalisation, helping to combat fatigue and lethargy. This can lead to a refreshed and invigorated appearance, both for the skin and hair.
