Skin Benefits

Eucalyptus Radiata Essential Oil offers a refreshing and soothing scent. It has a fresh and camphoraceous aroma with a clear color. The oil is commonly used in perfumes, aromatherapy, massage oils, bath products, and hair care products. Eucalyptus Radiata Essential Oil provides a refreshing and soothing experience, promoting a sense of calmness and respiratory well-being. It is known for its respiratory support properties and can be used in formulations targeting congestion and breathing comfort. The oil contains eucalyptol and alpha-pinene, among other components, which contribute to its distinctive aroma. Eucalyptus Radiata Essential Oil is also used in skin care formulations to provide a cooling and soothing sensation.

Functionality

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Cooling

Provides a refreshing and cooling sensation to the skin, helping to alleviate heat and discomfort. Ideal for use in products designed to soothe sunburns or calm irritated skin.

Hair Benefits

Eucalyptus Radiata Essential Oil can add a refreshing and soothing touch to hair care products. Its calming properties create a relaxing and comforting experience for the scalp. Additionally, the fresh and camphoraceous aroma of Eucalyptus Radiata Essential Oil adds a pleasant scent to hair care formulations. It can be incorporated into shampoos, conditioners, hair oils, and scalp treatments to enhance the sensory experience and provide a unique fragrance to the hair.

Antimicrobial

With potent antimicrobial features, it effectively combats harmful microbes, preventing infections and promoting skin health. It supports a clean and clear complexion, safeguarding against unwanted bacteria.

Energising

Provides a boost of energy and revitalisation, helping to combat fatigue and lethargy. This can lead to a refreshed and invigorated appearance, both for the skin and hair.
