## Skin Benefits

Eucalyptus Smithii Essential Oil offers a fresh and invigorating scent. It has a fresh and camphoraceous aroma with a clear color. The oil is commonly used in perfumes, aromatherapy, massage oils, bath products, and hair care products. Eucalyptus Smithii Essential Oil provides a fresh and invigorating experience, promoting a sense of vitality and respiratory well-being. It is known for its respiratory support properties and can be used in formulations targeting congestion and breathing comfort. The oil contains eucalyptol and alpha-pinene, among other components, which contribute to its distinctive aroma. Eucalyptus Smithii Essential Oil is also used in skin care formulations to provide a cooling and refreshing sensation.

## Functionality

### Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

### Cooling

Provides a refreshing and cooling sensation to the skin, helping to alleviate heat and discomfort. Ideal for use in products designed to soothe sunburns or calm irritated skin.

## Hair Benefits

Eucalyptus Smithii Essential Oil can add a fresh and invigorating touch to hair care products. Its revitalising properties create a refreshing and stimulating experience for the scalp. Additionally, the fresh and camphoraceous aroma of Eucalyptus Smithii Essential Oil adds a pleasant scent to hair care formulations. It can be incorporated into shampoos, conditioners, hair oils, and scalp treatments to enhance the sensory experience and provide a unique fragrance to the hair.

### Antimicrobial

With potent antimicrobial features, it effectively combats harmful microbes, preventing infections and promoting skin health. It supports a clean and clear complexion, safeguarding against unwanted bacteria.

### Energising

Provides a boost of energy and revitalisation, helping to combat fatigue and lethargy. This can lead to a refreshed and invigorated appearance, both for the skin and hair.
