Skin Benefits

Garlic Oleoresin 10% offers a concentrated essence of garlic with a strong and pungent aroma. It has a dark brown color and is commonly used in skin care products, hair care products, massage oils, bath products, and oral care products. Garlic Oleoresin 10% provides purifying and conditioning benefits. It is known for its aromatic properties and can add a distinct scent to formulations. The oleoresin is derived from garlic and contains the concentrated aromatic compounds of the garlic plant. Garlic Oleoresin 10% can be incorporated into various personal care formulations to harness its beneficial properties and aromatic profile.

Hair Benefits

Garlic Oleoresin 10% can be beneficial for hair care. Its purifying and conditioning properties help promote a healthy scalp and hair. Additionally, the strong and pungent aroma of Garlic Oleoresin 10% provides a distinctive and aromatic touch to hair care formulations. It can be incorporated into shampoos, hair masks, and scalp treatments to cleanse, condition, and invigorate the hair and scalp.

Functionality

Antimicrobial

With potent antimicrobial features, it effectively combats harmful microbes, preventing infections and promoting skin health. It supports a clean and clear complexion, safeguarding against unwanted bacteria.

Warming

Introduces a gentle warming sensation to the skin, providing a comforting and soothing effect. This property is ideal for products designed to promote relaxation, especially in massage oils or creams
