Product Page Intro	Introducing GoldenWax 464, a superb starting out wax for your candles. Super easy to use! This is a natural soy wax and a best seller and for good reason. The wax gives a smooth and creamy appearance due to its low melting point. This not only helps create a beautiful look to your candle but also reduces frosting. The wax holds and delivers your fragrance really well, we have done the comparisons with other soy waxes and this one performs by far the best, a great scent throw. If you monitor your melting & pouring temperatures well, you cannot go wrong with this wax base. Embark upon a journey with GoldenWax 464 today and infuse your creations with this exceptional ingredient. Order a sample or request a quote today!
