Product Page Intro	Introducing Grapefruit (Pink), Essential Oil Organic. Native to the Caribbean, grapefruits were introduced to Florida in the early 19th century and soon became synonymous with sunny, coastal regions. Beyond its delightful fragrance, this oil boasts an array of cosmetic properties. Its antibacterial and antifungal qualities have made it a popular choice for acne-prone and oily skin, offering a refreshing and clarifying effect. Its astringent properties help tighten pores and balance oil production. And as a natural antioxidant, it shields the skin from free radical damage, preserving its youthful appearance. The beauty of grapefruit oil extends to addressing skin conditions like eczema and supporting the reduction of cellulite and stretch marks, making it a versatile and cherished addition to skincare routines worldwide.
