## Skin Benefits

Grapefruit (White) Essential Oil Organic is commonly used in skincare products due to its astringent properties, which can help balance oily skin and reduce the appearance of blemishes. Its refreshing and clarifying nature makes it a popular choice for facial cleansers, toners, and masks. The oil can also be used in bath products, such as bath salts or shower gels, to provide an invigorating and revitalising experience. In aromatherapy, Grapefruit (White) Essential Oil Organic is known for its mood-enhancing properties. It can be used in diffuser blends, massage oils, or personal inhalers to create an uplifting and energising atmosphere.

## Functionality

### Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

### Cooling

Provides a refreshing and cooling sensation to the skin, helping to alleviate heat and discomfort. Ideal for use in products designed to soothe sunburns or calm irritated skin.

## Hair Benefits

Grapefruit (White) Essential Oil Organic can be beneficial for hair care, as its clarifying properties help remove excess oil and product buildup from the scalp, promoting a clean and healthy environment for hair growth. It can also provide a refreshing scent to hair products, such as shampoos, conditioners, and styling sprays. Additionally, the uplifting aroma of Grapefruit (White) Essential Oil Organic can help invigorate the senses and promote a positive mood during hair care routines.

### Antimicrobial

With potent antimicrobial features, it effectively combats harmful microbes, preventing infections and promoting skin health. It supports a clean and clear complexion, safeguarding against unwanted bacteria.

### Energising

Provides a boost of energy and revitalisation, helping to combat fatigue and lethargy. This can lead to a refreshed and invigorated appearance, both for the skin and hair.
