Skin Benefits

Helichrysum Essential Oil is known for its remarkable skincare benefits. It promotes skin rejuvenation and helps soothe irritation. The anti-inflammatory compounds present in the oil can help calm the skin and reduce redness. It is commonly used in face serums, moisturisers, massage oils, and other skincare products to improve the overall complexion and provide a soothing and calming effect.

Hair Benefits

Helichrysum Essential Oil can be beneficial for hair care as well. Its soothing and calming properties can help alleviate scalp irritation and reduce inflammation. When incorporated into hair care products such as shampoos, conditioners, and hair oils, it may promote a healthier scalp and contribute to maintaining a balanced and comfortable scalp environment.

Functionality

The attached information is considered to be correct. Please be aware that detail can change and we encourage clients to update their technical records regularly via www.oand3.com/products/.

The information is not and should not be considered a guarantee or warranty, or a part of our contractual or other legal obligations. It is the ultimate responsibility of the client to pre-approve & assess the safety and suitability of the listed ingredient before use in any final formulations. We encourage carrying out additional tests if necessary. The information is not to be disclosed to others, reproduced or transmitted in whole or in part without permission from O&3.

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Scar Healing

Aids in the healing and fading of scars, whether they are from acne, wounds, or other skin injuries. It helps promote the regeneration of skin cells, leading to a smoother and less visible scar over time.

Cooling

Provides a refreshing and cooling sensation to the skin, helping to alleviate heat and discomfort. Ideal for use in products designed to soothe sunburns or calm irritated skin.
