Skin Benefits

Hemp Butter is known for its moisturising and nourishing properties. It deeply hydrates the skin, helping to replenish and restore its natural moisture balance. The butter's rich nutrients contribute to the skin's softness and suppleness, leaving it smooth and Revitalised. It is commonly used in body butters, balms, lotions, and other skincare products to provide intense hydration and promote healthy-looking skin.

Hair Benefits

Hemp Butter can also benefit the hair by providing moisture and nourishment. It can help hydrate and soften the hair strands, reducing dryness and improving manageability. When used in hair care products such as hair masks, conditioners, and styling products, Hemp Butter can contribute to healthier-looking hair with enhanced shine and smoothness.

Functionality

The attached information is considered to be correct. Please be aware that detail can change and we encourage clients to update their technical records regularly via www.oand3.com/products/.

The information is not and should not be considered a guarantee or warranty, or a part of our contractual or other legal obligations. It is the ultimate responsibility of the client to pre-approve & assess the safety and suitability of the listed ingredient before use in any final formulations. We encourage carrying out additional tests if necessary. The information is not to be disclosed to others, reproduced or transmitted in whole or in part without permission from O&3.

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Emollient

Softens and smooths the skin, creating a protective barrier that locks in moisture. It is particularly beneficial for dry, rough, and chapped skin, providing deep hydration and improving the skin's texture.

Easily-Absorbed

Quickly absorbs into the skin without leaving a greasy residue. Lightweight and ensures fast penetration, delivering essential nutrients and hydration for a smooth and nourished complexion.

Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.
