Skin Benefits

Hibiscus infused in Sunflower Oil provides moisturising and nourishing benefits to the skin. It helps hydrate and condition the skin, leaving it soft and supple. The infusion is commonly used in facial oils, serums, body oils, lotions, moisturisers, and massage oils to provide hydration and promote healthy-looking skin.

Hair Benefits

Hibiscus infused in Sunflower Oil can also benefit the hair by providing moisture and nourishment. It helps hydrate and soften the hair strands, reducing dryness and improving manageability. When incorporated into hair oils, serums, and other hair care products, it can contribute to healthier-looking hair with enhanced shine and smoothness.

Functionality

The attached information is considered to be correct. Please be aware that detail can change and we encourage clients to update their technical records regularly via www.oand3.com/products/.

The information is not and should not be considered a guarantee or warranty, or a part of our contractual or other legal obligations. It is the ultimate responsibility of the client to pre-approve & assess the safety and suitability of the listed ingredient before use in any final formulations. We encourage carrying out additional tests if necessary. The information is not to be disclosed to others, reproduced or transmitted in whole or in part without permission from O&3.

Anti-Aging

Packed with antioxidants, it helps fight free radicals and reduce the signs of ageing. It promotes the production of collagen, improving skin elasticity and firmness, and diminishing the appearance of fine lines and wrinkles.

Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Skin Brightening

Contains natural skin-brightening properties. It helps even out skin tone, reduce the appearance of dark spots and hyperpigmentation, and promote a more radiant complexion.
