Skin Benefits

Honey Myrtle Essential Oil is valued for its uplifting and calming properties, creating a soothing and serene ambiance. Its sweet and floral aroma adds a touch of luxury to aromatherapy experiences. The oil can be used in diffusers, bath blends, massage oils, or personal care products to enjoy its aromatic benefits. Honey Myrtle Essential Oil's inviting scent can promote relaxation, uplift the mood, and enhance perfumes or fragrances.

Functionality

Hair Benefits

Honey Myrtle Essential Oil can add a sweet and floral fragrance to hair care products. Its aromatic properties can contribute to a pleasant and luxurious experience. The oil can be added to shampoos, conditioners, or hair masks to infuse a delightful scent. While not primarily known for its specific hair benefits, Honey Myrtle Essential Oil's captivating aroma can enhance the sensory experience of hair care routines.

The attached information is considered to be correct. Please be aware that detail can change and we encourage clients to update their technical records regularly via www.oand3.com/products/. The information is not and should not be considered a guarantee or warranty, or a part of our contractual or other legal obligations. It is the ultimate responsibility of the client to pre-approve & assess the safety and suitability of the listed ingredient before use in any final formulations. We encourage carrying out additional tests if necessary. The information is not to be disclosed to others, reproduced or transmitted in whole or in part without permission from O&3.

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthierlooking skin.

Cleansing

Acts as a natural cleanser, effectively removing dirt, impurities, and excess oil from the skin and hair. It helps keep pores clean and clear, reducing the risk of acne and promoting a fresh, revitalised appearance.

Antimicrobial

With potent antimicrobial features, it effectively combats harmful microbes, preventing infections and promoting skin health. It supports a clean and clear complexion, safeguarding against unwanted bacteria.

Cooling

Provides a refreshing and cooling sensation to the skin, helping to alleviate heat and discomfort. Ideal for use in products designed to soothe sunburns or calm irritated skin.
