Skin Benefits

Honeysuckle Absolute carries the captivating fragrance of sweetness and floral elegance. It creates a romantic and uplifting ambiance, evoking feelings of joy and beauty. The absolute is commonly used in perfumes, fragrances, aromatherapy blends, diffusers, massage oils, bath products, and room sprays to add a delightful and alluring scent.

Functionality

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Hair Benefits

Honeysuckle Absolute can contribute to a fragrant and uplifting hair care routine. Its sweet and floral aroma can enhance the sensory experience of using hair products. Incorporating Honeysuckle Absolute into hair perfumes, mists, and leave-in treatments can provide a delightful and refreshing fragrance, adding a touch of elegance and beauty to the hair.

Antimicrobial

With potent antimicrobial features, it effectively combats harmful microbes, preventing infections and promoting skin health. It supports a clean and clear complexion, safeguarding against unwanted bacteria.
