Scent
Characteristic, Earthy,
Nutty

Customs Tariff Code
1515 9060 00

Colour
Light Yellow

Skin Benefits

Horse Chestnut infused in Sunflower Oil provides nourishing and moisturising benefits to the skin. It helps hydrate and condition the skin, leaving it soft and supple. The infusion is commonly used in facial oils, serums, body oils, lotions, moisturisers, massage oils, bath products, and hair care products to provide hydration, promote healthy-looking skin, and enhance hair conditioning.

Hair Benefits

Horse Chestnut infused in Sunflower Oil can also benefit the hair by providing nourishment and moisture. It helps hydrate and soften the hair strands, reducing dryness and improving manageability. When incorporated into hair care products such as hair oils, conditioners, and masks, it can contribute to healthier-looking hair with enhanced shine and smoothness.

Functionality

The attached information is considered to be correct. Please be aware that detail can change and we encourage clients to update their technical records regularly via www.oand3.com/products/.

The information is not and should not be considered a guarantee or warranty, or a part of our contractual or other legal obligations. It is the ultimate responsibility of the client to pre-approve & assess the safety and suitability of the listed ingredient before use in any final formulations. We encourage carrying out additional tests if necessary. The information is not to be disclosed to others, reproduced or transmitted in whole or in part without permission from O&3.
