#### **Skin Benefits**

Horse Chestnut infused in Sunflower Oil provides nourishing and moisturising benefits to the skin. It helps hydrate and condition the skin, leaving it soft and supple. The infusion is commonly used in facial oils, serums, body oils, lotions, moisturisers, massage oils, bath products, and hair care products to provide hydration, promote healthy-looking skin, and enhance hair conditioning.

#### **Hair Benefits**

Horse Chestnut infused in Sunflower Oil can also benefit the hair by providing nourishment and moisture. It helps hydrate and soften the hair strands, reducing dryness and improving manageability. When incorporated into hair care products such as hair oils, conditioners, and masks, it can contribute to healthier-looking hair with enhanced shine and smoothness.

# **Functionality**

## **Anti-Inflammatory**

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

#### **Healing & Soothing**

With its anti-inflammatory properties, it soothes irritated and inflamed skin. It aids in the healing process, making it beneficial for conditions such as acne, eczema, and rosacea.
