Skin Benefits

Refresh and hydrate your skin with Organic Jasmine Hydrolat. This water provides soothing and hydrating properties, promoting a revitalized and healthy complexion. Elevate your formulations with the natural purity of organic jasmine hydrolat.

Hair Benefits

Jasmine, Water Organic (Hydrolat) can provide soothing benefits for the hair and scalp. Its calming properties can help alleviate scalp irritations and promote a relaxed and balanced scalp environment. The water's hydrating and refreshing effects can also contribute to maintaining a healthy scalp and hair. Additionally, Jasmine, Water Organic (Hydrolat) has potential antioxidant properties, which can help protect the hair from free radicals and environmental damage. It can be incorporated into hair care products such as refreshing sprays and scalp treatments to enhance the health and appearance of the hair, as well as provide a gentle and soothing sensation.
