Skin Benefits

Jasmine Absolute infused in Grapeseed Oil combines the captivating fragrance of Jasminee with the lightweight and moisturising properties of grapeseed oil. It creates an uplifting and romantic ambiance, evoking feelings of joy and beauty. The infusion is commonly used in perfumes, fragrances, aromatherapy blends, diffusers, massage oils, bath products, and room sprays to add a delightful and alluring scent experience.

Hair Benefits

Jasmine Absolute infused in Grapeseed Oil can contribute to a fragrant and indulgent hair care routine. Its floral aroma can enhance the sensory experience of using hair products. Incorporating Jasmine Absolute infused in Grapeseed Oil into hair perfumes, mists, and leave-in treatments can provide a delightful and refreshing fragrance, adding a touch of elegance and beauty to the hair.

Functionality

Anti-Aging

Packed with antioxidants, it helps fight free radicals and reduce the signs of ageing. It promotes the production of collagen, improving skin elasticity and firmness, and diminishing the appearance of fine lines and wrinkles.

Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.

Scar Healing

Aids in the healing and fading of scars, whether they are from acne, wounds, or other skin injuries. It helps promote the regeneration of skin cells, leading to a smoother and less visible scar over time.

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Regenerative

Promotes the regeneration of skin cells, aiding in the healing of wounds, scars, and skin damage. It helps accelerate the skin's natural renewal process, leading to a smoother and more youthful appearance.

Skin Brightening

Contains natural skin-brightening properties. It helps even out skin tone, reduce the appearance of dark spots and hyperpigmentation, and promote a more radiant complexion.
