Product Page Intro	Introducing Jojoba, Wax, derived from the seeds of the jojoba plant ( <i>Simmondsia chinensis</i> ). It boasts a rich history dating back to indigenous North American tribes who revered it for its medicinal and cosmetic properties. Its non-comedogenic nature ensures it won't clog pores, reducing the risk of acne and breakouts and Jojoba Wax's hypoallergenic quality suits even the most sensitive skin types. Jojoba, Wax's versatility has made it a staple in the cosmetic industry. It acts as an effective moisturiser, offering a natural solution for dry skin. Jojoba, Wax's ability to soothe, hydrate, and protect the skin makes it a valuable ingredient in lotions, cleansers, and lip balms. It also enhances hair care products by promoting shine and manageability and is often also used in candles due to its clean-burning properties. Order a sample or request a quote today!
Product Status	Pure & Natural.
Pyrrolizidine Alkaloids Status	O&3 can confirm that Jojoba, Wax is free from any Pyrrolizidine Alkaloids.
REACH Status	O&3 can confirm that Jojoba, Wax supplied is exempt as per Annex IV & V according to EU regulations 1907/2006. This product is not chemically modified, it comes under derogation pursuant to EU regulation 987/2008, Annex II, #9. Hence registration is not required for this product. We can also confirm that none of the substances on the SVHC candidate list can be verified in a concentration of >0.1% in our product.
Residual Solvents	O&3 can confirm that no solvents or preservatives were used in the production of Jojoba, Wax.
Skin Benefits	Jojoba Wax provides excellent moisturization and protection for the skin. It has a rich texture and emollient properties that help hydrate and nourish the skin, leaving it soft and supple. The wax is commonly used in balms, salves, lip balms, and other skin care products to provide moisturising benefits and protect the skin from environmental stressors.
