Product Page Intro	Introducing Kukui Nut Oil, Refined, revered for centuries in traditional Hawaiian culture. Historically, it was used for lighting, as it produces a clear flame when burned, however its usage expanded, finding applications in medicinal and cosmetic realms. This oil's lightweight, non-greasy texture and quick absorption into the skin make it a popular choice for cosmetic and personal care products and its compatibility with all skin types, including sensitive skin, highlights its broad appeal. In cosmetics, Kukui Nut Oil is prized for its ability to hydrate and nourish the skin. It's a common ingredient in moisturisers, lotions, and creams. Its emollient properties make it ideal for lip balms, and it is often included in hair care products for its conditioning effects. Order a sample or request a quote today!
