### **Skin Benefits**

Litsea Cubeba (May Chang) Essential Oil carries a lemony and citrusy scent, with refreshing and uplifting properties. It Revitalises the senses and promotes a positive atmosphere. The oil is commonly used in perfumes, fragrances, aromatherapy blends, diffusers, massage oils, and bath products to create an invigorating ambiance and enhance a sense of well-being.

#### **Hair Benefits**

Litsea Cubeba (May Chang) Essential Oil can contribute to an invigorating and refreshing hair care routine. Its uplifting fragrance can provide a revitalising and energising experience. Incorporating Litsea Cubeba (May Chang) Essential Oil into hair perfumes, mists, and leave-in treatments can leave the hair smelling lemony and citrusy, promoting a sense of rejuvenation and vitality.

## **Functionality**

### **Anti-Inflammatory**

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

#### Cleansing

Acts as a natural cleanser, effectively removing dirt, impurities, and excess oil from the skin and hair. It helps keep pores clean and clear, reducing the risk of acne and promoting a fresh, revitalised appearance.

#### **Energising**

Provides a boost of energy and revitalisation, helping to combat fatigue and lethargy. This can lead to a refreshed and invigorated appearance, both for the skin and hair.

#### **Antimicrobial**

With potent antimicrobial features, it effectively combats harmful microbes, preventing infections and promoting skin health. It supports a clean and clear complexion, safeguarding against unwanted bacteria.

#### Cooling

Provides a refreshing and cooling sensation to the skin, helping to alleviate heat and discomfort. Ideal for use in products designed to soothe sunburns or calm irritated skin.
